

Mobile Device Management (MDM)

Dear Parents/Caregivers

We invite you to join our Mobile Device Management (MDM) system. We believe this system will bring with it a number of improvements and supports to further extend your child's learning.

Support for parents:

- All apps are installed remotely ready for school and home use
- Ongoing updating of apps so everything is current
- Ability to set access to apps depending on the iPad location

Support for teachers / school:

- All required apps are remotely added to the device
- All apps are regularly updated
- Ability to restrict access to certain areas of the device
- Ability to see all device screens or individual screens during a lesson

This program has a buy in cost each year however, every effort is made to keep costs to a minimum. **The 2020 cost is \$20.00 per iPad.**

- Use your credit card to pay online at www.bertramps.wa.edu.au then return this form by email to Bertram.ps@education.wa.edu.au or to your child's LA teacher.
or
- Use the Qkr app to pay by credit card.
or
- For cash or eftpos payments, return the consent form with payment to the front office.

Backup your device prior to installation of the MDM – **every device will be wiped to install the MDM.** All personal items may be re-added by you once the MDM is installed.

Apps provided through this system remain the property of the school, however students have access to them as long as they are Bertram Primary School students.

We plan to roll out our MDM in groups as payments are received. Access to the program will remain open throughout the year. Please contact the school if you have any questions.

Craig Ashby
Principal
