The hippo needs a name!

The President's Pen

2016 has been a fabulous year of achievements for the P&C and we thank the school community for supporting all the fundraising events throughout the year. The P&C calendar for Term 3 was a busy one with our well supported Bogan Quiz Night, Father's Day Stall and PJ Day. We had lots of fun along the way and loved seeing some new faces join our hard working parents.

With the support of the school community this year we have purchased various items for all learning areas—including new tables and chairs for the kitchen extension area, home readers, sports equipment, flexible learning furniture and Kindy outside play equipment. We look forward to finishing the year well & look forward to your support in 2017!

In Term 4 the P&C donated funds towards new equipment in the library. Go to the P&C Facebook page to find out more and help name the new hippo!
