

Pre-Primary- App List Term 1 2017

Student iPads should be sent to school with the following apps installed, using the iTunes U app store, in order for students to use their devices during learning experiences this term. Additional apps will be requested throughout the year. Prices of apps are subject to change. Bertram Primary School attempts to keep this document up to date; however, we make no guarantee prices of apps will remain the same at time of purchase.
